One Legacy West is a 14-story Class AA, five-star office tower located in the booming Legacy West area. The building, situated on the corner of Legacy Drive and Sam Rayburn Tollway, is just as breathtaking on the inside as it is on the outside. It conveys One Legacy's unique distinction as a refreshingly different place in Dallas' Northern suburbs, featuring Design Awards 2018. The Statuario Caldia® marble - supplied by the MGI Group - was used to refine the interior lobby details, enhancing the qualities of the space thanks to a mix of lights and shades.
